

Hello Everyone,

We are selling the Minnesota PGA Golf Card as a fundraiser again this year. It has been a great fundraiser for us for the past two seasons and will continue to be the primary source of funding for our assistant coaches, which are not paid for by the district.

The card is only \$49.99 and it pays for itself in only a couple of uses. Your friends and family can save a lot of money while supporting the Simley Spartans. The card offers savings on golf at great local golf courses.

Sell the card in the way you want to sell it: door-to-door, via e-mail, Facebook, and Twitter. All roads lead back to our MN PGA website, here:

<http://mn.mygolfcard.org/SimleySpartans>

where our supporters will order online. You do not have to collect money or distribute anything. Cards will be mailed directly to your customers. You simply point them toward the My Golf Card website and they will select the Simley link, enter your personal code, and order directly online. All sales will be credited to Simley Golf and your personal account.

Here's what we need you to do:

- Register yourself at:

<http://mn.mygolfcard.org/SimleySpartans/register>

- Take a peek at the marketing suggestions. You can print handouts, send emails, or post an update on Facebook or Twitter to make it easy to sell.

- Start selling

Our goal is to sell 150 MN PGA Golf Cards this year. We will get there if every player in our program sells just 3 cards. As we have done in past years, any family can simply make a \$60 donation to Simley Golf Boosters rather than sell cards.

Thanks for your help this year.

Simley Golf Boosters
